

**Metallurgical equipment.
Equipment for blast-furnace melting operation stage**

BLAST FURNACE CHARGING DEVICES

Reference list

Description	Year of delivery	Q-ty	Customer
Supporting top ring	1993	1	Alchevsk steel works, Ukraine
Large bell rod	1998	1	Steel works named after Kuibyshev, Kramatorsk, Ukraine
Charging device: -large bell D=5000, large bell cup D=5000	1999	2	Alchevsk steel works, Ukraine
large bell rod, nut	2001	1	EGYPTIAN IRON STEEL, Egypt
Charging device: -large bell D=5000, large bell cup D=5000	2003	1	Alchevsk steel works, Ukraine
Stock distributor: -Small bell cone D=2000, -Small bell D=2000	2003	1	Alchevsk steel works, Ukraine
Large bell rod	2005	1	ArcelorMittal Temirtau, Kazakhstan
Apparatus for blast furnace bells handling	2005	1	Zaporizhstal, Ukraine
Large bell D=5000	2008	3	Alchevsk steel works, Ukraine
Large bell cup D=5000	2008	1	Alchevsk steel works, Ukraine
Large bell rod	2008	1	ArcelorMittal Temirtau, Kazakhstan
Y-125M hard-facing plants for blast furnace bells and hoppers	1967 1967 1969 1970	1 1 1 1	Chelyabinsk steel works, Russia Chelyabinsk steel works, Russia Karaganda steel works, Russia West-Siberian Metallurgical Plant
